We are shaping the future of real estate with an ambitious experience-rich vision. We pair innovative people with leading ideas and technologies and create smart, sustainable and healthy communities.

Our leadership team has bought, built, leased, financed and sold some of the world's most successful businesses and properties. Together, they define our global strategy and attract, empower and grow the best people and teams in the business.

Oxford is owned by OMERS, one of Canada's largest defined benefit pension plans.

Data as at 30/9/2021. \*Global office, retail residential, hotels portfolio where buildings are Oxford directly managed or where Oxford has 25%+ ownership interest. \*\*Data as at 31/12/2020.

Oxford is a leading global real estate investor, asset manager and builder of businesses. We build, buy and grow defined real estate operating businesses with world-class management teams. Creating economic and social value through real estate - safeguarding the future and creating a world of opportunities for our customers, team members, partners and communities.

Today, Oxford and our portfolio companies manage nearly \$80 billion of assets across four continents in some of the world's most transformative places. Our competitive advantage is in combining global platforms and expertise with local trends and experience to create exceptional experiences and value.
